YARN PRODUCTION LINE

Thai Binh Cotton's machinery is mainly imported from Switzerland, Germany,... With the aim of providing high-quality yarn products at competitive prices, we continuously invest and upgrade to modern production lines. Thai Binh Cotton's spinning systems are mainly provided by RIETER-Switzerland and Trutzschler - Germany, the world's leading companies providing equipment for spinning.

From: contact@ngovanthuan.com

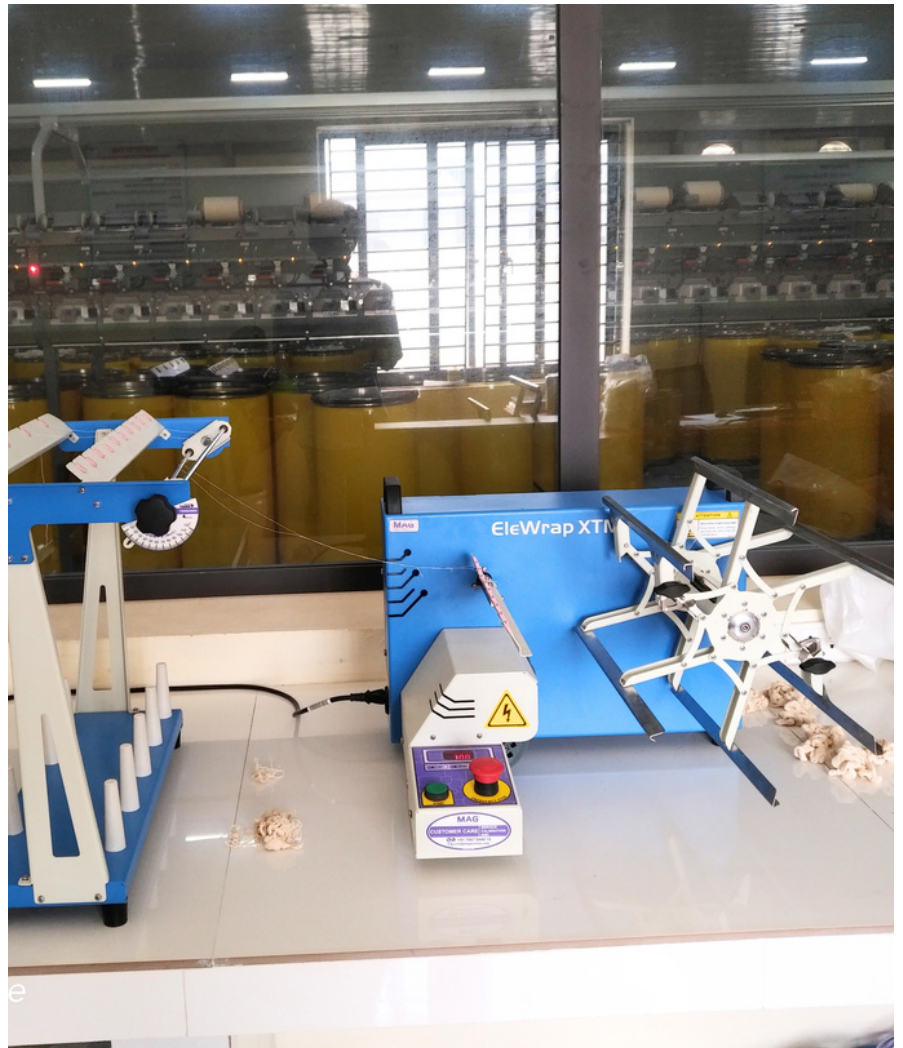

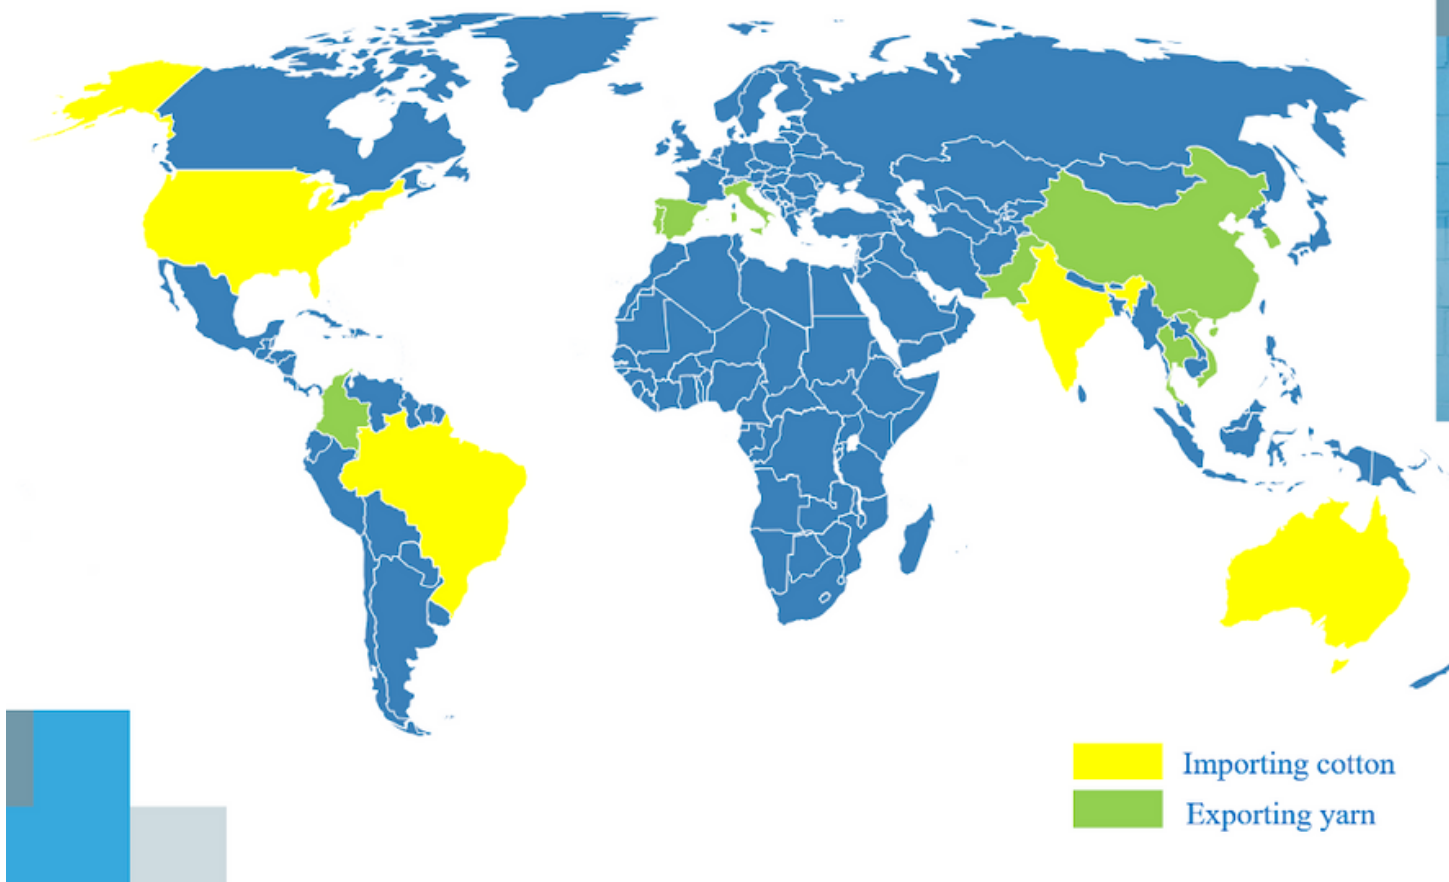

QUALITY CONTROL SYSTEM

ALONG WITH MODERN PRODUCTION LINES, TO ENSURE THE BEST AND MOST STABLE YARN OUTPUT, WE HAVE ALSO INVESTED IN A QUALITY CONTROL DEPARTMENT WITH CONTROL DEVICES FROM USTER, THE WORLD'S LEADING SUPPLIER OF TOTAL QUALITY SOLUTIONS FROM FIBER TO FABRIC TO CHECK THE QUALITY OF OUR PRODUCTS.

Markets

Thai Binh Cotton Co., Ltd has supplied products and services to many customers all over the country. Besides, the international market has been expanded to Korea, Japan, China, Pakistan, and Columbia... We believe that we can provide you with high-quality cotton and yarn at the best price.
